

Resolution on Torture and Inhuman Treatment

Whereas, Every human being has the right to be treated with dignity, and;

Whereas, torture or degrading, cruel treatment of anyone in the custody of the United States or it's agents has the right to his or her dignity and the right to be charged, and represented before a court of law:

Therefore, be it resolved, that no person shall be held without due process; and

Therefore, it shall be the policy and practice of the United States government to uphold the law as outlined in the United States constitution; and,

Therefore, we, the 45th District Democrats require that the official platform of the Washington State Democratic Party reflect this truth, and that the laws and policies of the United States Government reflect this, and the government put this into practice.
