

Web News Update November

Congratulations to the 45th Legislative District Democrats! *Everyone* has been pulling out all the stops making this a most enthusiastic election cycle. The results of all our efforts will be rewarded on Election Day!

Important Meetings Coming Up

Though all of our meetings are filled with purpose and good company, the upcoming two general meetings are especially important. At the next [general meeting](#), Wednesday November 1st, we will discuss and vote on a [proposed bylaw change](#) concerning the eligibility requirements of candidates seeking office in 45th LD. That meeting will be followed by the **District Reorganization Meeting** for the election of officers which will take place during the December 6th General Meeting.

Nominating Committee

A nominating committee has volunteered to discuss and solicit potential candidates for the 45th LD executive board. If you are a member living in the district and would like to be on the executive board, or you know someone who does, please submit your name, that of the person you would like to see nominated, or any related suggestions to [Terry Linkletter](#) (please put *Nominating Committee* in the subject line). The committee will begin meeting just after the midterm elections.

If you are interested in running for a position but cannot be present at the December 6th meeting, please submit your letter of intent via [email](#) or have a member bring your statement in writing to the meeting.

Letters to the Editor

The Letters to the Editor group is on fire! They have written twelve letters in the past month, *five* of which have been published! Take a [look](#)! We are all busy in the last days of the election so there will be **no meeting of the LTE committee** this month; everyone has been doing a great job keeping our voices heard. This is an informal committee and anyone so inclined can join in at anytime. If you write a letter to your local rag, whether published or not, please [let us know](#). *Special thanks to Ken, Carol, Judith, Paul Y., Terry T, Bob H., Gerry, and Melissa.*
