

A Note From The Chair

This Endorsement Guide has been put together by a new, diverse endorsement committee. All registered candidates had the opportunity to be interviewed by the endorsement committee. Candidates not selected by the committee had a chance to be nominated from the floor by any 45th member. To make it into this guide, two-thirds of membership had to agree by a vote.

Every choice the committee made is in this Guide - they battled 1000! Now it is your turn - our endorsed candidates will make a big difference in our communities as their decisions directly affect our day-to-day lives. Vote and recycle your guide to friends and neighbors.

Check out our website via the QR code (below) and get that ballot in the mail by November 2nd. Thank You.
